1. The case management conference was conducted on July 2, 2024
2. After consultation with counsel, I set this case to proceed on the standard track.
3. Deadline for amending pleadings and adding parties: August 1, 2024
4. Discovery:
 - a. Rule 26(a) disclosures: July 31, 2024
 - b. Liability discovery: February 28, 2025

5. Discovery disputes: No motion relating to discovery may be filed unless the parties, as required by Local Rule 37.1, have undertaken in good faith to resolve discovery disputes. If counsel cannot resolve a discovery dispute despite their good faith efforts, they should email me a joint letter (Helmick_Chambers@ohnd.uscourts.gov) summarizing the nature of the dispute and the efforts to

resolve it. After I review the submission, my chambers will contact counsel regarding next steps toward resolution.

6. Inadvertent Disclosure: Pursuant to Evidence Rule 502(d), an inadvertent disclosure of a communication or information covered by the attorney-client privilege or work-product protection made in connection with this litigation shall not constitute a waiver of that privilege or protection in this or any other federal or state proceeding.

7. The parties have agreed to a method for conducting discovery of electronically-stored information.

8. Without leave of Court, no discovery material shall be filed, except as necessary to support dispositive motions.

9. Dispositive motions: to be determined.

10. All documents must be filed as PDF documents in text searchable format. All exhibits must be specifically identified. If exhibits are merged into a single PDF, each exhibit within that PDF must be bookmarked. Failure to comply with these requirements will result in the Clerk's Office marking the document(s) as a filing error and counsel will be required to re-file said document to be in compliance with this order.

It is So Ordered.
